

North Petherton Town Council Standing Orders (Procedure Rules)

**Approved and adopted by The Town Council 19 December 2022
reviewed 27 November 2023**

Standing Orders govern the conduct of business matters

These Standing Orders are based upon the 2018 model Standing Orders from the National Association of Local Councils as updated in April 2022

Introduction

Standing Orders are the written rules of the Town Council and are essential to regulate the proceedings of a meeting. Standing Orders may also be used to confirm or refer to various internal organisational and administrative arrangements. Standing Orders are not the same as the Town Council's policies but standing orders may refer to them.

Local Councils operate within a wide statutory framework. These Standing Orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for standing orders to document all obligations under data protection legislation. The statutory requirements to which the council is subject apply whether or not they are incorporated in the standing orders.

The Standing Orders do not include Financial Regulations. Financial Regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders include most of the requirements relevant to the Town Council's Responsible Financial Officer.

Standing Orders that are in bold type contain legal and statutory requirements. Standing Orders not in bold are designed to help the Town Council operate effectively but they do not contain statutory requirements and may have been adapted to suit the Town Council's needs.

For convenience the word "councillor" is used in standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

How the Town Council Operates

1. These Standing Orders provide part of the framework within which the Town Council and its Committees make decisions (Financial Regulations and Council and Committee Terms of Reference are the other major governance documents).
2. Councillors agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties. A copy of this Code is available on the Town Council's website (<https://nptc.info/wp-content/uploads/2022/08/2022-Councillor-Code-of-Conduct-agreed.pdf>) or on request from the Town Council office.

3. The Mayor is the Chair of the Town Council. In the Town Council's governance documents the terms "Mayor", "Council Chair" and "Chair of the Council" are interchangeable.
4. The Town Council, that is all the Town Councillors meeting together, meets approximately every six weeks. The Town Council meeting is responsible for setting the Town Council's policies and making the major decisions. The Town Council is the policy making body; all Committees, Sub Committees- and Working Groups should act within the policy and governance framework set by the Town Council. Only a meeting of the Town Council can approve policy or amend it.
5. The Council conducts the majority of its routine business through Committees. The responsibilities of each committee are set out in the Council and Committees Terms of Reference and are reviewed annually.
6. Members of the various committees, sub-committees and working groups are appointed at the Council's Annual Meeting (usually held in May) or when there is a vacancy on a Committee or when a Committee etc is newly formed.
7. The Committee Chairs will be elected at the first meeting of the Committee following the Annual Town Council meeting, or if the position of Chair becomes vacant during the year at the first appropriate Committee meeting.
8. The civic year runs from annual meeting to annual meeting, that is usually May to May. A schedule of meetings is compiled for the civic year and agreed by the Town Council but may be subject to change in order to meet need and circumstances.
9. Notice of meetings, including the agenda, will be published on the noticeboard situated on Fore Street in North Petherton at least 3 clear days before the meeting, (this meets the legal requirement of publishing the Notice in a conspicuous place in the Parish). As the meeting schedule is subject to change anyone wishing to attend a meeting is advised to contact the Town Clerk to check the details regarding location, timing etc.
10. The rules to be followed for the conduct of meetings of the Council and its Committees are detailed in these Standing Orders.
11. Any Town Councillor can request an item to be put on the agenda for a Town Council or Committee meeting. The decision as to whether or not the item shall be included on the agenda will be made by the Town Clerk following consultation with the Mayor and Deputy Mayor in the case of Council or the Chair in the case of a committee.
12. All Councillors will be sent the agenda, by email, for every Committee meeting (with the exception of the Personnel Committee).

13. The agenda for Council and Committees will normally only include items where decisions are necessary. Items for information will be dealt with by means of Clerk's Update, other emails or Chair's Announcements at a meeting.
14. Council and Committee meetings will usually be open to the public to attend and observe, however there will be occasions when matters will need to be discussed and decided without the public being present e.g. if publicity of the matter for discussion would prejudice the public interest.
15. Working Groups / Task and Finish Groups / Advisory Groups may be appointed by Council or Committees to undertake detailed research and considerations and then make recommendations to the parent Committee. Working Groups / Task and Finish Groups / Advisory Groups do not make decisions and are not subject to the rules about publishing agendas and meetings being open to the press and public.
16. The Town Council and its Committees, Sub-Committees, Working Groups and staff will endeavour to work within the policy framework set by the Town Council and its Committees; if the Town Council or a Committee makes a decision which deviates from an agreed, existing policy the reason for the deviation will be included in the minute recording the decision. If a member of staff makes a decision which deviates from an agreed, existing policy the reason it will be reported to the next relevant Committee meeting.
17. All decisions will be made with due regard to the following principles:
 - Legality (the Town Council must ensure its actions are intra vires)
 - Financial prudence and value for money
 - The management of risk in a proportionate and considered manner
 - The exercise of power must be proportionate to the desired outcome
 - Account will be taken of consultation with partners and the public
 - Proper consideration of advice from Officers and professional advisors
 - Respect for human rights, diversity and equality
 - Environmental impact and sustainability
 - Council, Committee and Sub Committee decisions will be made in public whenever appropriate and possible

Specifically, decision makers will ensure that in arriving at a decision full and proper consideration is given to:

- The likely effect on crime and disorder and the need for prevention (Crime and Disorder Act 198 S 17)
- The Town Council's duty to promote equality and diversity
- Human Rights Legislation
- Environmental impact and sustainability
- Health and safety
- Obtaining and delivering value for money
