

North Petherton Annual Town Meeting

Notice is hereby given of the Annual Town Meeting to be held on 14 May 2025 in the Small Hall (library), Fore Street, North Petherton, TA6 6QA starting at 19:30hrs. All persons on the electoral roll for the area covered by North Petherton Town Council are invited to attend.

Councillor Philip Spencer
Mayor, North Petherton Town Council
1st May 2025

Agenda

1. Apologies

2. Welcome & Opening Remarks – Councillor Phillip Spencer, Mayor

3. Minutes of the 2024 Annual Town Meeting

4. Presentation – Quantock Heritage Group

The Quantock Heritage Group (QHG) is a community archaeology and heritage research group covering the area of the Quantock Hills and West Somerset.

The Group exists to provide opportunities for local communities to learn new skills in a range of heritage practices whilst contributing to high quality research which furthers understanding of the history and prehistory of the area.

QHG has a multi-year community test pitting project in North Petherton, aimed at uncovering the historical development of the village over millennia. This project engages with residents and landowners of all ages in the local community by inviting them to dig 1m square test pits on their properties. Participants, supported by archaeologists within the QHG, will record the depth and type of artefacts or materials discovered, providing valuable 'data points' that contribute to our understanding of North Petherton's evolution.

5. Open Forum

Registered Local Government Electors of the area covered by North Petherton Town Council are invited to raise issues about things which affect the town. It would be appreciated if questions could be emailed to

joy.norris@northpethertontowncouncil.gov.uk at least 48 hours before the meeting as this will help with providing a response at the meeting.
