- 4.11 Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the Town Council.

5 Procurement

- 5.1 **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2 The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.3 Every contract shall comply with the Town Council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.
- 5.4 **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Public Contracts Regulations 2015 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**
- 5.5 Where the estimated value is below the Government threshold, the Town Council shall (with the exception of items listed in paragraph 6.12) obtain prices as follows:
- 5.6 For contracts estimated to exceed 15% of the precept including VAT, the Town Clerk shall seek formal tenders from at least three suppliers agreed by the Town Council OR advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation. Tenders shall be invited in accordance with Appendix 1.
- 5.7 **For contracts estimated to be over £30,000 including VAT, the Town Council must comply with any requirements of the Legislation¹ regarding the advertising of contract opportunities and the publication of notices about the award of contracts.**

¹ The Regulations require Town Councils to use the Contracts Finder website if they advertise contract opportunities and also to publicise the award of contracts over £30,000 including VAT, regardless of whether they were advertised.

- 5.8 For contracts greater than 0.75% of the precept excluding VAT the Town Clerk shall seek at least 3 fixed-price quotes;
- 5.9 where the value is between 0.1% and 0.75% of the precept excluding VAT, the Town Clerk shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.
- 5.10 For smaller purchases, the Town Clerk shall seek to achieve value for money.
- 5.11 **Contracts must not be split into smaller lots to avoid compliance with these rules.**
- 5.12 The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:
- i. specialist services, such as legal professionals acting in disputes;
 - ii. repairs to, or parts for, existing machinery or equipment;
 - iii. works, goods or services that constitute an extension of an existing contract;
 - iv. goods or services that are only available from one supplier or are sold at a fixed price.
- 5.13 When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the Town Council or relevant committee. Avoidance of competition is not a valid reason.
- 5.14 The Town Council shall not be obliged to accept the lowest or any tender, quote or estimate.
- 5.15 Individual purchases within an agreed budget for that type of expenditure may be authorised by:
- the Town Clerk, under delegated authority, for any items below 0.5% of the precept excluding VAT (see appendix 2)

 - the Town Council for all items over 1.25% of the precept (see appendix 2)
- Such authorisation must be supported by a minute (in the case of Town Council or committee decisions) or other auditable evidence trail.
- 5.16 No individual Member, or informal group of Members may issue an official order unless instructed to do so in advance by a resolution of the Town Council or make any contract on behalf of the Town Council.
- 5.17 No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the Town Council except in an emergency.

- 5.18 In cases of serious risk to the delivery of Town Council services or to public safety on Town Council premises, the Town Clerk may authorise expenditure of up to 0.75% of the precept excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. (see appendix 2) The Town Clerk shall report such action to the Chair as soon as possible and to the Town Council as soon as practicable thereafter.
- 5.19 No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the Town Council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.
- 5.20 An official order or letter shall be issued for all work, goods and services above £500 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.
- 5.21 Any ordering system can be misused and access to them shall be controlled by the RFO.

6 Banking and Payments

Appendix 1 - Tender process

- 1) Any invitation to tender shall state the general nature of the intended contract and the Town Clerk shall obtain the necessary technical assistance to prepare a specification in appropriate cases.
- 2) The invitation shall in addition state that tenders must be addressed to the Town Clerk in the ordinary course of post, unless an electronic tendering process has been agreed by the Town Council.
- 3) Where a postal process is used, each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed date for opening tenders for that contract. All sealed tenders shall be opened at the same time on the prescribed date by the Town Clerk in the presence of at least one member of Town Council.
- 4) Where an electronic tendering process is used, the Town Council shall use a specific email address that will be monitored to ensure that nobody accesses any tender before the expiry of the deadline for submission.
- 5) Any invitation to tender issued under this regulation shall be subject to Standing 18 and shall refer to the terms of the Bribery Act 2010.
- 6) Where the Town Council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the Town Council requires further pricing, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.
