Principle 1: Lawfulness, Fairness and Transparency

Personal Data shall be processed lawfully, fairly and transparently in relation to the Data Subject. This means that other than in the case of data processed under the Local Audit and Accountability Act 2014, Regulation 5, for the purposes of statutory Internal Audits for Councils and Local Authorities, North Petherton Town Council must tell the Data Subject what Processing will occur (transparency), the Processing must match the description given to the Data Subject (fairness) and it must be for the purpose(s) specified in the applicable Data Protection regulation (Lawfulness).

The Local Audit and Accountability Act 2017 - Legal framework

The Local Audit and Accountability Act 2014, Regulation 5, provides auditors with a; “**right of access to all documents and files relating to a Council Audit that are considered necessary by those conducting the audit.**” It is not a requirement to seek the personal consent of the individuals whose personal data is contained within documents or data in order to gain access to these for Internal Audit purposes.

Such documents and files include, but are not limited to, Accounting Systems back up files including cashbooks, financial reports, and associated spreadsheets, payroll records and employment contracts. Additionally, records of services provided to clients of the council are also reviewed. These may include allotment lease records, burial and memorial records, market stall fees records, facilities booking receipts, invoices and other similar items.
